

Plan for Ability to Benefit

Plan for Ability to Benefit is not pertinent to this Institution because all our associate programs at the present time require a HS Diploma or equivalent for Admissions. Our Diploma program is ESOL which does not require ATB Admissions Procedures for Ability-to-Benefit Students.

If SABER were to offer any diploma programs in the future, applicants will be referred to Miami Dade College Testing Center that they may take ATB exam.

Plan was reviewed on April of 2006

Plan was reviewed and revised on April 2007. List of administrators was updated.
