

Employee Orientation Plan

Purpose

The Employee Orientation Plan is designed to welcome a new employee and making him/ her familiar with the new environment.

This plan and its methodology directly support the goals and purpose of the school in general. It will help make the new employee independently productive as soon as possible and teach essential job skills needed to perform the job.

Methodology:

1. Employees will be given a Policies and Procedures Manual so they may become familiar with the school's rules and regulations for employees.
2. A Staff Orientation letter with day to day procedures will be given to the employee and then they will sign that they received it.
3. Dress code, hours, and responsibilities will be discussed with the employee by their superior.
4. A tour of the premises will be given to the new employee.
5. A mentor will be assigned to the new employee to help them when they begin.

Miami, Florida 33134

Telephone (305) 443-9170

Dear New Employee,

Welcome to SABER College. Following are a few simple statements for your information.

During the first 6 months of employment you will be under our close supervision and on probation.

During your probationary period we will be monitoring your work. During your period of probation we will be making suggestions for ways in which you may be able to improve. If we find any areas that need improvement we will let you know and will work with you to better them. If the agreed upon action plan is not met, we may be forced to terminate your contract.

Punctuality as well as professionalism is very important to us and we stress that you maintain this desirable behavior.

We look forward to working with you for the success of our student population. If you have any questions please do not hesitate to contact me at your earliest convenience.

Good Luck on your new job !!

Amarilis Somoza
Dean of Academic Affairs

STAFF ORIENTATION

1. The College Office opens from 9:00 am to 5:00 pm. A staff member will be designated to open in the mornings and close in the afternoons. That person will receive one room key prior to the first day of class.
2. Punctuality must be observed.
3. Dress code is business casual. (ie. For women, no jeans, shorts, short skirts or low cut blouses allowed. For men, no jeans or shorts)
4. Food is to be eaten only in the lunchroom. At no time is food or drink permitted in the classroom. Your students should also observe this rule.
5. College areas should be maintained in proper order at all times. Prior to departure at the end of each day, staff member should inspect working area and assure that it is in satisfactory condition.
6. Any problems that arise among students /staff and/or any disruptive behavior should be reported immediately to the director, in order that corrective action be taken
7. In the event of illness or unexpected tardiness, staff members must call before 9:00 am to inform the director or dean.

8. In the event of anticipated absence, a leave request must be submitted and approved by director at least two weeks in advance, if possible.
9. An attendance log of each individual should be submitted to director on a weekly basis. Staff members will receive appropriate form.
10. SABER does not allow children to be on school property without supervision. Children are not allowed in the classroom or work areas. We are not responsible for any children or young adults as they are not in our care. Parents must make prior arrangements and not take children with them to class or work.
11. SABER College is open every day except those days stated in "Holidays" Chart. If for any reason there are problems due to weather or in case of an emergency, remind staff that it is their responsibility to call the school at 305-443-9170 and listen to the recording letting them know if office has been closed. After initial emergency day, and in all other instances students and employees must check on television, Channel 6, if SABER has been closed in the event of an emergency or catastrophe (for example: a hurricane or flood).

12. Staff evaluation will be completed at the end of each college year.

PTA Program

3990 W. FLAGLER STREET
Miami, Florida 33134
Telephone (305) 443-9170

Dear New Employee,

Welcome to SABER College! The following information is meant to serve as an introduction to SABER College and the PTA Program. Please refer to the SABER College Manuals: College Catalog, SABER Policies and Procedures, Consumer Information Manual and the PTA Program Manuals: PTA Program Policies and Procedures, PTA Student Handbook, and Clinical Education Manual for further and specific information.

During the first month of employment, you will receive orientation to SABER College and the PTA Program. Our goal is to give you all the tools you will need to succeed. During your probationary period, you will be provided with close supervision and mentorship. We will be observing and assessing your teaching methodologies, instructional strategies, lesson plans, and assessment methods. We will provide you guidance and feedback to ensure your success in the program. If any suggestions or areas of improvement are noted, we expect faculty to work together with the program to develop a professional development plan that addresses these needs. Faculty who do not demonstrate competence in their performance expectations may be terminated.

We look forward to having you as part of the SABER College PTA Program. My door is always open. I'm looking forward to guiding you in your new and exciting professional journey with SABER College!

Karen Arocha, PT, MS
PTA Program Director

PTA Program

PTA FACULTY MEMBER ORIENTATION

1. College hours are from 9:00 am to 5:00 pm. A staff member will be designated to open in the mornings and close in the afternoons. Punctuality must be observed.
2. Dress code is business casual. (ie. For women, no jeans, shorts, short skirts or low cut blouses allowed. For men, no jeans or shorts)
3. Punctuality, as well as professionalism, is very important to us and we stress that you maintain this desirable behavior.
4. Food is to be eaten only in the lounge area or your office. At no time is food or drink permitted in the classroom. Your students must also observe this rule.
5. Classroom must be maintained in proper order at all times. Prior to departure at the end of each class, faculty/staff member must inspect all computers and lab equipment to assure that they have been properly dealt with and are in the required order.
6. Any problems that arise among students and/or any disruptive behavior must be reported immediately to the director, in order that a corrective action be taken.
7. Lesson plans should be prepared two weeks prior to class date.

8. All materials needed for class should be requested at least two weeks prior to anticipated need. This includes books, office supplies, computer software, etc.
9. In the event of illness or unexpected tardiness, faculty/staff members must call the day before or before 9:00 am to inform the director.
10. In the event of anticipated absence, a leave request must be submitted and approved by director at least two weeks in advance, if possible.
11. The school will observe vacation schedule as reflected in the Catalog. This includes approximately one week of Summer Break, and two weeks of Winter Break. Public Holidays are also observed.
12. Faculty will fill out a monthly attendance log which must be turned in to the program director at the end of each billing period. Attendance log form will be provided to faculty.
13. Classroom attendance should be kept in a binder and submitted upon request.
14. Student progress is discussed, at minimum, with each student at Midterm Semester Advising during each semester. Students who are not progressing as expected will have additional advising sessions which may result in a corrective action plan. Faculty members must submit all pertinent student information to Program Director one week prior to student's Midterm Semester Advising session.
15. Faculty must keep their attendance and gradebook on the Canvas platform so program director can track student's progression.
16. SABER does not allow children to be on school property without supervision. Children are not allowed in the classroom. We are not responsible for any children or young adults as they are not in our care. Parents must make prior arrangements and not take children with them to class.
17. SABER School is open every day except those days stated in "Holidays" Chart. If for any reason there are problems due to weather or in case of an emergency you must be available to contact students; remind student that

it is their responsibility as well to call the school at 305-443-9170 and listen to the recording letting them know if classes have been cancelled. After initial emergency day, and in all other instances students and employees must check on television on Chanel 6 for further instructions.(for example: a hurricane or flood).

18. Evaluations by the Director and or designee will take place at the discretion of the Director to evaluate your teaching knowledge, method and skills.
19. A Faculty Evaluation will be completed yearly in June to assess and evaluate your performance. Faculty are expected to develop Professional Development Plans that will be assessed yearly at the time of Faculty Evaluation.
20. To enhance your teaching experience, you should discuss your curriculum and teaching methods with a currently practicing and experienced physical therapist/physical therapist assistant. Faculty will be active members of the PTA Advisory Committee which includes current practicing clinicians that help guide curriculum and program planning.
21. The PTA Program (AS) at SABER is designed to prepare students for employment as physical therapist assistants. The program achieved Candidacy status effective August 25, 2014 with the Commission of Accreditation in Physical Therapy Education (CAPTE). The standard length of the program is 76 credit hours. On 2022 the program received Re Accreditation until 2031.
22. The instructor is responsible to cover the objectives as stated in the course syllabi which were created following SABER's PTA Program Curriculum Plan as well as the CAPTE criteria,
23. The instructor must demonstrate teaching methodologies, instructional strategies, and course assessments that follow SABER College and PTA Program policies and procedures and are congruent with SABER College's mission as well as PTA Program's mission, goals, expected outcomes, student learning objectives, and philosophy.

24. Course Grading for PTA courses: Student's must achieve a minimum of 77% in all courses to successfully complete the course and continue progression in the program. Course grades depend on a variety of methods of assessment including assignments, quizzes, midterm exam, and final exam. Skills checks and Final Lab Practical Exams are included in lecture/lab courses. Students must pass all Skills Checks in a course in order to be able to take the Final Lab Practical. Please refer to PTA Program Policies and Procedures for further information. Please refer to course syllabi for specific courses as each course assessment method distribution may be weighted differently. Program has both lecture and lecture/lab combination courses.
25. Exams will be scheduled according to course syllabi.
26. Laboratory Courses: Courses with a lab component allow students the opportunity for practice and corresponding faculty and peer feedback to acquire competence in physical therapy skills. Lab rules are posted in the PTA classrooms, including safety. Students receive in detail information during PTA Program Orientation and at the beginning of each lab course as applicable. Faculty to student lab ratio must be 1:12.
27. Clinical Experience Education: Students will participate in three clinical education experiences. Please refer to Clinical Education Manual and PTA Program Policies and Procedures for further information about clinical education.

If you have any additional questions, please feel free to contact me or my staff at your earliest convenience.

We wish you success
